

Qiyu ZHI

ADDRESS: 217 East Cripe Street, Apt.H, SouthBend, Indiana, 46637, United States

PHONE: +1 574-386-8935

EMAIL: zhiquyubupt@gmail.com

EDUCATION BACKGROUND

JULY. 2015 B.E. in INFORMATION ENGINEERING

SEP. 2011 **Beijing University of Posts & Telecommunications(BUPT)**, Beijing, China

GAP: 85.6/100 Major GPA: 87/100

PUBLICATIONS

Qiyu Zhi, Miao Li, Qiuchi Li, "MSIIP Chinese Weibo Sentiment Analysis method for COAE2015" (Chinese), **China Conference on Information Retrieval COAE** 2015

Qiuchi Li, **Qiyu Zhi**, Miao Li, "An combined sentiment classification system for SIGHAN-8", **Association for Computational Linguistics (ACL) SIGHAN workshop** 2015

Gang Zhao, **Qiyu Zhi** et al. "MSIIPL_THU at TAC 2014 Entity Discovery and Linking track", **Text Analysis Conference(TAC)** 2014

Haifeng Sun, **Qiyu Zhi**, "MTTM: A Multi-type Topic Model Applied to Heterogeneous Information Network", **Journal of knowledge and information system(submitted)** 2014

RESEARCH EXPERIENCE

AUG 2015 *Multimedia Signal & Intelligent Information Processing Lab.* **Tsinghua University**

JULY 2014 **Research Assistant**

- Working on Chinese Weibo sentiment analysis, developed combined system for sentiment analysis, participated COAE and SIGHAN evaluation contest.
- Participated in the entity linking track in KBP, TAC 2014. **ranking 2/20**. Devised a combined method to recognize entity.(base on java).**recall ranking 2/20**
- Working on text summarization, especially on multi-documents summarization

JULY 2014 *Network intelligence research center*

BUPT

FEB. 2014 **Research Assistant**

- Developed a system to extract specific information from news material(base on C#)
- Proposed a Multi-type topic model (MTTM) to be used for Heterogeneous Information based on LDA.

INTERNSHIP EXPERIENCE

SEPT. 2014 *Tsinghua university - iflytek speech technology joint laboratory Beijing, China*

OCT. 2014 **Programmer Internship**

- Participated in development of iflytek text search for speech System(base on python)

AUG.2014 *Zhongxing Telecommunication Equipment Corporation (ZTE) Beijing, China*

Internship

- Simulated test on communication facility and software(base on matlab)
- Best student award(1/30)

JAN.2014 *InceptionPad Inc. Beijing, China*

FEB. 2013 **Web Development Internship**

- Developed incetionpad.com for BUPT entrepreneurship courses(base on PHP, javascript)

AWARD

- **Best team(5/104)**, Smart Car Contest, BUPT 2012
- **Second Prize(10/89)**, Innovative Business Plan Competition, BUPT 2013
- **National Scholarship** 2014
- **Meritorious Winner** in Mathematical Contest in Modeling (10% of 7700) 2014
- **Excellent Graduation Thesis(50/854)** 2015

TECHNICAL STRENGTHS & COURSES

Technical Strengths: python, javascript, java, C#,C, matlab, Linux, \LaTeX
Related Courses: Computer Communications and Networks | Pattern Recognition
Probability Theory and Stochastic Processes | Data Structures
Database Technologies and Applications | Linux Operating System

MISC

- Minister of Sunshine Volunteer Association, BUPT(400 volunteer,10 volunteer project)
- Best Position Paper in BFSU MUN(Beijing Foreign Studies Univ. Model United Nation)
- Member of School Basketball Team, BUPT
